Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170  
and NSD File No. L-00-72.

Dear FCC:

i think it would be unfair to raise the rates; I have noticed even when I speak  
20 seconds, a minute of time is taken away. In the end that costs me more. My  
calls are only necessary calls because of the cost.

thank you
